**Colour:** Dark Brown (Solid Colour)

**Registered With:** British Alpaca Society UKBAS45241

**Blood Lineage:** Australian

**Date of Birth:** 1st July 2023

### Description:

Smartie is a confirmationally correct 17mth old solid dark brown female with a good substance of bone. She has a soft handling, fine fleece characterised by a long staple length. Her first fleece statistics for a brown female with a micron of 18.9 and SD of 4.1 attest to this. Her pedigree draws on an interesting mix of bloodlines that we have in our herd. Through her Sire, Fangdale Noah she has Fowberry Nobility and Waradine St Patrick and on her Dam Patou Petronella's side she brings Classical Mile End Rococco into the mix. She has a friendly, gentle temperament and is fully halter trained. We offer Smartie with a free mating to one of our Stud Males including our multi-Champion Fangdale Milo.

Smartie is also being offered as part of a package with the other females on our Sales list at a discount. We can arrange delivery if required and provide comprehensive after care support including training where necessary. Nicky is a British Alpaca Society Accredited Trainer.
