Description:

Ziggy is a multi-champion fawn female who has played a foundational role in our herd. She is also a firm favourite! She is conformationally correct and has maintained a bright fine fleece for her age that is also dense. She was sired by Beck Brow Crafter our multi-champion herd sire who contributed outstanding Australian bloodlines to her pedigree with Warradene St Patrick, Benleigh Bellisimo and Purumbete Inti in his background. Her dam Fangdale Millie draws on the iconic EPC Top Account of Fowberry. We are reluctantly releasing Ziggy to make room for our new births on the farm. Ziggy is fully halter trained and offered for sale with a free mating to one of our champion stud males (<https://fangdalealpacas.co.uk/stud-services/>).

Ziggy is also being offered as part of a package (advertised on this site) with the other females on our Sales list at a discount. If interested then do get in touch (deborah@fangdalealpacas). We can arrange delivery if required and provide

comprehensive after care support including training where necessary. Nicky is a British Alpaca Society Accredited Trainer.
