(taken on 20th April 2023 at 10 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

J'adore is a beautiful maiden female. She has great presence and stands out in the paddock with her white marking on her head. She has a multi championship winning grey sire, and her dam is a daughter of Fowberry Nobility – some incredible genetics there!!

We have bred J'adore to Furze Park Uluru as we believe this to be a good match. J'adore has a very soft handling fleece and with think Uluru will add staple length and density to the cria.

J'adore is halter trained, and will come with a vet check, Enferplex TB test, pregnancy scan, and 24/7 ongoing support.

Name of covering male: Furze Park Uluru (Dark Fawn)
