*(taken on 22nd August 2017 at 2 Years and 1 Month of age)*

**Fibre Testing Authority:** Australian Alpaca Fibre Testing

### Description:

Phoebe is a lovely natured female who draws on Fowberry Genetics. She has a good strong frame and displays a fine fleece characterised by a long staple length. She has also proven herself to be an excellent mother. Her son Fangdale Dynamo was awarded Champion White Huacaya Fleece at the Yorkshire Fleece Show and Reserve Supreme Champion. We are trying to breed for colour in our herd and so we have mated Pheobie to our multi Champion Brown Stud Male, Fangdale Milo.

We are prepared to negotiate a package with the other females on our current sales list. If interested then do get in touch ([deborah@fangdalealpacas](mailto:deborah@fangdalealpacas)). We can arrange delivery if required and provide comprehensive after care support including training where necessary. Nicky is a British Alpaca Society Accredited Trainer.
