(taken on 15th June 2024 at 4 Years and 11 Months of age)

Fibre Testing Authority: Art of Fibre

Description:

Legolas is a very impressive male with a good solid compact structure, attractive head and advanced fleece holding excellent fineness at 19.4 microns at 5 years of age.

He is a stunning apricot fawn displaying good coverage and excellent uniformity across the saddle. His fleece stats show a fine fleece with good density and crimp style as well as an incredibly soft handle and nice lustre.

Legolas has produced his first cria in 2024, he was only used over one female and got her pregnant first time.

Legolas was sired by reserve champion Limestone Zaire a very impressive upstanding black male who has consistently produced prize winning progeny.

His dams side is packed with elite Australian genetics including EPC Daredevil sired by EPC The Edge. And Rural Allianza including the legendary Wiracocha.

Legolas offers high quality at a reasonable price to any breeder wishing to produce coloured cria.

Only for sale as we are downsizing our herd.

Prizes Won:

Only shown once where he achieved a second place.
