Description:

CASUS LADY MARMALADE is a strong solid dark fawn female out of TOFT Anna Jool and TOFT Agamemnon. Lady M is a well conformed female with a very balanced strong frame who despite being a bit older in style produces very modern solid coloured cria with compact balanced conformation.

CASUS LADY MARMALADE has a lovely gentle temperament and is a good and proven mother. She has many breeding years left in her and would make charming solid addition to any coloured herd.

Name of covering male: Herts The Big Bopper (Dark Fawn)

Number of Crias bred from female: 3
