Perfect Shot is a easy to handle and halter trained female who has been mated for 2025 to our multiple Champion male Winsula Unforgotten.

Perfect Show herself was also shown and achieved first place in both a Halter and a Fleece show.

When mated to Pinkney Dragon and mulit champion male she produced a Champion fawn male and her daughter by this mating is also offered for sale and we would like if possible to sell them together as they are very close.

This would be an excellent opportunity to add a easy to handle Suri female who has produced show winning progeny. Her fleece is lustrous and fine and she is an excellent mother. Last year he was given a rest year and mated for 2025
