### Description:

Blizzard represents quality across his entire pedigree. His sire - Tailor Made - was National Show Supreme Champion Suri 2018. He is also an Accoyo Amadeus Grandsop on his dam's side as well as Maserati's Alfonzo representing the Torbio line.

His fleece results speak for themselves with fine, dense, soft handling locks- and with brilliant lustre and impressive length.

He is well proportioned and robust together with a gentle nature and happy to be on our walking team.

He comes with a fertility guarantee. He is offered for sale as he is not our target colour and therefore unlikely to be given the opportunity to show his full potential here at Spring Farm.
