Description:

Fantastic opportunity to purchase a friendly lustrous white suri boy with wonderful long locks, a sound conformation and a fantastic personality.

He is for sale along with 2 other young male friends Pepper and Cinnamon, part of the Spice Boys and it would be lovely to see them go as a group.

He is a true to type suri with a beautiful lustre and fine lock structure which is difficult to appreciate on a photo - he has to be seen to be fully appreciated.

Easy to handle, polite and good on the halter he would be just at home as a friendly pet for a beginner, or as part of a trekking team. Comes fully vaccinated and wormed.

We are a small but experienced alpaca farm with 12 years breeding experience. You will be offered a comprehensive after sales package which includes full support and advice for new owners and access to one of our BAS affiliated alpaca husbandry courses.
