Description:

Sabina is an experienced dam with a dark genetic bloodline. She has a fine fleece with distinctive markings as a modern grey, a sound conformation and would make a lovely calm matriarch for a starter herd. She will be sold as pregnant with a pregnancy guarantee of a 24 hour cria.

She is being offered as part of a unique colourful package with her daughter Lyra and another lovely suri female Titania, all true to type suris with lots of colour in their genetics, and all to be mated to our exceptional dark male stud Beckbrow Suri Woodstock, National Champion Brown Suri 2022. Woodstock is unbeaten as brown champion in the show ring and has also sired the National Champion Brown Male 2024. You may view him and his 2024 progeny at Cadbury Alpacas. Other females and unrelated stud male (and companion) available to add to this package.

Cadbury Alpacas is a small but experienced alpaca farm with over 12 years alpaca breeding experience. All alpacas come fully halter trained, vaccinated, wormed and mineral drenched. You will be offered a comprehensive after sales package which includes full support and advice for new owners and access to one of our BAS affiliated alpaca husbandry courses.
