### **Description:**

We have up to 5 of these delightful, friendly young pet males for sale. They are so sweet and such good little boys and so easy to handle.

They were all born last year and all have really lovely soft fleeces. 3 white, 1 beige, 1 fawn. We would prefer to sell the boys in one group, rather than split them up. They are such good friends.

They are all fully registered with the British Alpaca Society, micro-chipped, shorn, wormed and vaccinated.

Priced at £650 plus VAT each.

Group of 5 available for £2,950 plus VAT.

Transport can be arranged.

We are a well known, established alpaca breeder and have been breeding and selling alpacas for 18 years. All the alpacas have been born on our farm and come from studs with excellent blood lines and pedigrees.

Full handling and herd maintenance training and advice is available for purchasers new to alpacas.

I expect these boys to sell quickly so contact us as soon as you can to arrange a viewing. They can be reserved with a holding deposit.
