Breed Type: Suri

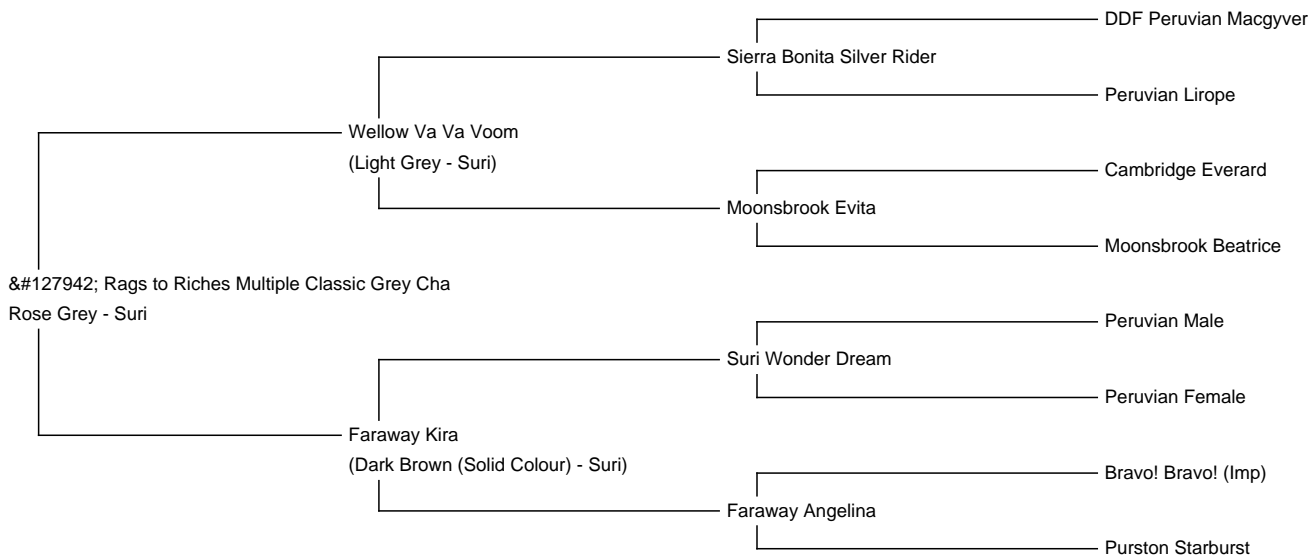

Colour: Rose Grey

Registered With: British Alpaca Society

UKBAS35864

Blood Lineage: MacGyver, Accoyo

Date of Birth: 15th June 2019

Description:

Winsaula Rags to Riches is a Neogen tested Classic Grey Female. Although a Covid Cria, Rags had a remarkable show fleece show career.

Rags has a wonderful calm temperament and is a very attentive mum. Her first progeny Winsaula Unforgotten out of Thistledown Maniatoto made his mark on the Halter Show scene winning 13 Championships and 2 judges choice awards. He is now standing at stud at Bramble Lodge/Hilly Ridge/Park Side Alpacas.

Rags has a dense, fine and exceptionally lustrous fleece which she passes on to her off spring. She has thrown two grey Cria, Winsaula Philadelphia and her new female Cria Lady Whistledown who we are retaining in our breeding programme.

Rags to Riches is pregnant to Thistledown Belluno who was imported by us from New Zealand in 2023. His offspring in New Zealand has recently won Supreme Champion and his UK offspring will be shown in 2025.

Winsaula Alpacas have been breeding Suri since 2014 and have won multiple breeder awards. We offer a lifetime of support and a 7 day live Cria guarantee. Our animals are available for export.

We hold the largest collection of Classic Grey Suri in the UK and if you would like to visit the farm or would like further information please contact me on 07540 124768 or prwinsor@icloud.
