## **Description:**

Ashwood Quest is a charming two-year-old with a Solid Mid Fawn fleece. He is a progeny of Ashwood No Smoke Without Fire, affectionately known as Smokey. Before his untimely demise, Smokey achieved significant success, securing two reserve championships along with numerous first-place wins in his brief career. Quest's dam is Gilt Edge Firebird, carefully selected for import from New Zealand due to her highly regarded genetics. Delving further into Quest's lineage reveals the legendary Futura Humdinger from New Zealand and Silverstream Czar of Anzac. Quest is now primed to embark on his journey as a potential stud, displaying outstanding traits that would enhance any herd aiming to breed exceptional fawns.
