Description:

Snowhill Hayley is a well bred pregnant female who is extremely stylish in her make up. She has good substance of bone and her proportion is correct. She is well covered in fleece and shows herself off with great presence.

The fleece this female is carrying is dense, fine for her age and extremely bright which when combined with a good level of uniformity, gives a wonderful handle.

She has been bred to our sire of champions Inca Lewesdon with the aim of producing a dark coloured cria.

Snowhill Hayley is a very affordable female for those looking to breed excellent coloured stock.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.

Name of covering male: Inca Lewesdon (Black)

Last Mating Date: 15th July 2024

Estimated Date Cria Due (Pregnant Female): 15th June 2025

Number of Crias bred from female: 4

Snowhill Hayley
