Description:

Mo is a cool character and has bred us some super cria some of which can be viewed on farm .

He carries a fine fleece and is producing ultra fine cria . Mo has been part of our walking team since he was 7 months old and is easy to walk and enjoys a stroll especially the treat at the end !

We only took him to one show and he did us proud winning 3rd place amongst tough competition

This is a super cheap male with great genetics
