Ruby stands on a balanced frame and she is conformationally correct and open to any inspection.

Her fleece is soft handling and very lustrous. This luster as you can see on the photos leaps out at you before you even open the fleece. Her bother also a fawn was a multi champion and was also one of our therapy alpacas as his temperament was fantastic and this is the case with Ruby as well.

Ruby is inquisitive and will hand feed and she walks well on a halter.

Ruby has a white flash on her head which places her into the multi class so she has only been shown once at the National show 2024
