Description:

Nefertiti is a stunning young female!

She was one of those special ones from birth, with her advanced style fleece and true to type head.

Her fleece is exceptionally stylish, super dense with incredible fineness & uniformity. She stands on a compact frame with excellent fleece coverage.

She also has dark skin so I would think she would go on to produce darker coloured offspring.

So far she has done very well in the show ring. She will be ready to mate in summer, her price includes a mating of your choice to one of our elite champion males.

Prizes Won:
