Description:

Meet Felicity, the beloved 20-year-old "grandma" of our herd. This gentle and caring alpaca looks out for the other girls and still has a surprising burst of energy when it comes to mealtime!

Due to her age, Felicity's fleece is slower growing these days, and she appreciates wearing a blanket on colder days.

Felicity has been a wonderful mother and grandmother, and now she's ready for a well-deserved retirement away from the breeding scene.

While not explicitly halter trained, Felicity remains calm on halter and is a pleasure to handle for routine husbandry tasks.

Number of Crias bred from female: 3
