(taken on 1st July 2023 at 2 Years and 2 Months of age)

Fibre Testing Authority: Art of Fibre

Description:

Bonnington Patsy is a gorgeous, solid white, pregnant female who was awarded a rosette at the highly competitive South of England live Show in 2023.

Her dam (Cold Comfort Persephone) and sire (Fowberry Debonair) have both won rosettes at the National with her sire having won 1st place twice in two separate classes. These fantastic genetics have clearly been passed onto Patsy who is a very good-looking girl, with a conformationally correct frame and excellent substance of bone.

Patsy has a very bright, dense fleece with excellent coverage across her body, it is soft to touch with an excellent staple length.

Patsy is a very gentle, sweet natured girl who walks well on a halter.

She has been mated with Little Nige our award-winning solid Mid Brown Male who came 2nd in his category at the National and who has won reserve champion twice at various shows.

With her superb genetics, excellent fibre and a very kind nature, Patsy would be a wonderful addition to any breeding herd.

All of our alpacas are halter trained, are up to date with all husbandry and if pregnant come with a live cria guarantee.

For Bio Security, all buyers have the option of having their purchased animals wormed with Zolvix and quarantined on concrete surface for 4 weeks before delivery.
