Description:

Pemberley Alpacas are having to sell our entire herd. Our herd was founded on the principle of improving our genetics and as such we have some stunning alpacas to sell.

Discovery is a stunning male, loaded with superb genetics from both his dam, Artwork GA Amber Gold and his sire, Snowmass V Voyager of ARW (Imp). His dense, soft handling and uniform fleece carries a high frequency style crip that is well aligned.

Discovery's first progeny are due this year and we are excited to see the results.
