### Description:

Cilla is a gorgeous-looking soon to be pregnant, solid white female.

She has excellent genetics with her Sire (Artwork V.V. American Idol) winning champion at the South of England show and 1st place at various shows. Her Dam's (Cold Comfort Clementine) first fleece was 16.8 Micron with an SD of 3.4.

Cilla has certainly inherited some positive genetics from her parents as she has a bright and fine fleece with excellent across her body.

Cilla is conformationally correct. Just like her mum who we also own, is a very sweet girl with a lovely temperament who is easy to walk on a halter.

Cilla is due to be covered by Little Nige our award-winning mid brown stud male. He has fantastic genetics having been bred by Herts alpacas, a renowned breeder. This will be Cilla's first cria.

With her superb fleece and gentle temperament, Cilla would make a fantastic addition to any breeding herd.

All of our alpacas are halter trained, are up to date with all husbandry and if pregnant come with a live cria guarantee.

For Bio Security, all buyers have the option of having their purchased animals wormed with Zolvix and quarantined on concrete surface for 4 weeks before delivery.

Price: £4,500 Plus VAT
