Description:

Bozedown Rembrandt II, Supreme Champion, was sired by U.S. Champion CCNF Talon of CME, in turn sired by champion SuperNova, and with a champion mother. Talon's paternal brother and sister are both champions also. Rembrandt carries strong bone on a perfectly balanced frame. His fleece has great length to it and is uniformly fine. All his progeny have very bright, very stylish fine fleeces with excellent density. Rembrandt is producing front line Show Champion Progeny. Rembrandt's widely varied pedigree background offers a great genetic package!
