(taken on 28th June 2016 at 1 Year and 7 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

STIRLING is an eye catching stud male with good presence and he has a great quirky personality which he passes onto his progeny and they are so easy to handle and are very inquisitive. Stirling himself is very laid back and is also one of our best Alpaca walking males.

His fleece has an exquisite handle and is soft and luxurious. He demonstrates a good uniformity of micron within each staple and across his entire fleece. The fibres are well aligned with a good structure and stunning brightness. His fleeces has retained its fineness and this is a trait that he passes to his cria with all of them showing a longevity of fineness and low SD. Stirling's son Galactic Gary a real character and also a reserve champion male in the white class has a great fleece with a low SD and micron.

Stirling has generally produces grey, fawn brown and black. His fleece is a silver grey with very few spots and produces the most fantastic yarn.

Prizes Won:

2015/08 -North Devon Fleece show 6-12mths -- 1st place
