Description:

Chosen at the Australian National Show and imported from Kurrawa in Australia, this young male now has many fabulous cria on the ground. He is consistently producing coloured offspring with amazing lustre and density. His offspring - light and coloured - have been awarded Supreme Champion at multiple fleece shows.

Rebel on the Run has a pedigree going

back to that special group of Suri imports to Australia from the USA. One of whom was PPeruvian Amador, described by Don Julio Barreda as the perfect example of a Suri Herdsire. Rebels pedigree also includes Kurrawa TariQ, winner of

multiple supreme champion ribbons and champion progeny; Jolimont Accoyo Miquel; Cedar House Sensational; Surilana Icalon and, a double dose of Amador.

His density and lustre are simply amazing.
