### Description:

Lensky is an appaloosa suri stud male alpaca - a very rare breed!

Although Lensky was not born here at Spring Farm, his dam and sire are both Spring Farm alpacas. We could not resist adding him to our stud male list given both his highly unusual coloration and the genetics he combines. His sire is Alfonzo who is featured below on this page and needs little introduction. His dam is Springfarm Mishka who is a Rapper daughter. Lensky's genetics therefore combine Torbio, Snowmass Ice Dancer, Rapper and Suri Classic Dream!

Lensky is jointly owned by Spring Farm Alpacas and West Wight Alpacas. He is standing at Spring Farm Alpacas in East Sussex
