Description:

Devil's Advocate is a very handsome stud with an impressive look about him. His sire is Toft Jaina, who has won many awards in the show ring. With these amazing genes we really think Devil's Advocate has a lot to offer our herd with his breeding. Devil's Advocate is expecting one cria in 2019 and we are really looking forward to seeing what he can produce.

Devil's Advocates fleece is a lovely shade of brown. Devil has great density to his fleece with a lovely soft handle. Paired with the right female, together they could produce some really special progeny.
