Description:

Samson is a lovely young Multi- Champion carrying excellent genetics. This impressive looking male does not fail to impress with his well-balanced and compact conformation combined with a gorgeous dense fleece. He has proven himself in the show ring with an impressive record including having won two Huacaya Black Male Championships. His sire is the solid black Multi-Champion Nero Black Shadow who has won 6 Huacaya Black Male Championships. Samson's dam, Stagshaw Sara, is a lovely solid dark brown who won the title of Huacaya Champion Brown Female at Northumberland in 2016 after winning Reserve Champion at Northumberland in 2015. Samson is a confident male with a steady, easy going temperament who is proving to be a keen stud. He was used at stud on one of our brown females for the first time in 2020 and this year his first stunning brown male cria hit the ground. Stagshaw Samson brings a wealth of proven outstanding genetics to the table and we are very proud to own him.
