Fibre Testing Authority: Art of Fibre

Description:

Unser Traum ist wahr geworden. Mit Peacekeeper haben wir endlich ein besonderes Genpaket aus den USA bei uns am Hof. Besonders überzeugt hat uns an PK seine Feinheit und Uniformität in Micron über den gesamten Körper. Er hat einen schönen Crimpstyle von der Haut bis zu den Spitzen.

Es stechen auch kaum Grannenhaare heraus -dies ist auch speziell das Merkmal seiner beider Eltern.

Seine "Fiber Cluster's" sind bei der Skin Biopsy in Amerika als sehr einheitlich bestimmt worden, außerdem ist die Dichte mit 79.5 ausgesprochen gut.(Fiber Clusters very uniform in Size ,Shape and placement within his connective Tissue)

Peacekeeper vereint einen kräftigen, korrekten Körperbau mit einem sehr fortschrittlichen, gut definiertem und

strukturiertem schwarzen Vlies.

Beide Elternteile haben einen bemerkenswerten Stammbaum und sind multiple Black Champions in den USA in Fleece und Halter- Shows.

PK's Vater :

Estate Stradivarius ist einer der erfolgreichsten schwarzen Hengste in Amerika (26. -facher Champion)
