Description:

Milo is a stunning brown stud male whose first cria were born in 2022. He has an impressive pedigree - sired by National Brown Champion Toft Timogen, His dam is our own multi-Supreme Champion Houghton Jubilation of Fangdale. Jubilation won Supreme Huacaya at the BAS National Show in 2018.

Milo is also performing well in the Show Ring. He was awarded 1st Place in an extremely competitive Adult Brown Class at the National Show in 2022 and subsequently Reserve Champion. He followed this up with Championships at the Heart of England Show (including Judges Choice Huacaya) as well as the North West Alpaca Show. In 2023 he was awarded Champion Brown Male at the Yorkshire Halter Show - his only outing of the year. His daughter Fangdale Coco took the Champion Brown Female Sash at the same Show. Like Timogen, who is renowned for longevity and uniformity of fleece fineness, Milo also has an incredible ultrafine, uniform fleece that extends down his blanket. His fleece

statistics attest to this and are impressive for a brown male. Heritable traits passed through Jubilation include very little observable difference between primary and secondary fibres. Judges have further commented on the luxurious handle of Milo's fleece as well as his density. Milo stands and moves well and is conformationally correct with a good substance of bone.
