*(taken on 30th May 2022 at 5 Years and 9 Months of age)*

**Fibre Testing Authority:** SGS

### Description:

Aragon has routinely stayed in the limits of the Royal Alpaca fleece stats, even as a breeding male with crias on ground. He is our main goal as a huacaya breeder, lasting fineness with density.

Red Granites Aragon is a striking medium fawn, award-winning male. He has a very beautiful fleece. Aragon carries an extremely soft fine, yet very dense fleece, with amazing brightness to add on. He carries a full fleece body of high-frequency low amplitude fleece with small individual little bundles throughout, and is very consistent throughout the body. He has carried a Grade 0 fleece since his first shearing, which is amazing considering he is now a 5 year old breeding male.

We always have late bloomers; fleece wise. Aragon blossomed a little late into his show career. He wasn't on our showing list until fall of 2017 but never returned on our list till TXOLAN in 2018 where he was awarded a 2nd place and Reserve Color Champion. After that point, he was winning anything above 3rd places. At the National Western Stock Show in 2020 at 3 years of age, he was awarded the 2020 Grand Champion male, as a 3-year-old!! We then brought Aragon to the 2020 AOA National Show and he did not disappoint us! As a 42.8-month-old male, he came home with the Fawn AOA National Color Champion. We are beyond happy with Aragon and how he has been showing for us even at his age.

His dam, Crescent Moon's Anna Lucia, multi-champion female, comes from a very impressive lineage. When you look at her pedigree you see, Aussie. 38 Special, PPeruvian Victor G4563, Show Me The Money, 5Peruvian Black Ice 9069, 4Peruvain Legacy 6016, and a whole lot more.

Aragon's sire, CCNF Legionnaire is sporting a very Elite and stunning linage. Legionnaire's paternal line is very much notable. Granddam, PPeruvian Jesusa RO662 is dam to CCNF Magdalena. CCNF Magdalena her self is a 10x Champion/Reserve champion winner, her offspring being championed as well. CCNF Legionnaire being one of her priceless offspring who we were able to snag and share with Amber Autumn alpacas.

Can be made available for export outside of US. Four teats.

Proven with crias on the ground ranging from white, fawn, brown, black, and modern grey.

**Prizes Won:**

Grand Champion Male - 2020 National Western Stock Show

2x Color Champion Fawn Male

5x Reserve Color Champion Fawn Male

\*\* 2021 AOA National Fawn Male Color Champion under Jude Anderson \*\*
