## Description:

Skydance has a lovely, dense and soft-handling fleece. He is a stunning colour, with perfect, uniform appaloosa markings. He came first in his only show outing, in quite a large class. He has strong appaloosa genetics, with his dam producing 4 out of 4 appaloosa cria. His sire is the gorgeous imported appaloosa NZSummerhill Leopard Toros Rolex of AVF. Skydance has true to type conformation and is very easy to handle.
