Attributes

El Capitan was the stand out male of the 2020 birthing season at Acton Hill and no surprises with his genetics, this light

fawn champion male is sired by EP Cambridge Trail Blazer of Houghton (Imp) a son of Windsong Valley Firedragon (NZ) & his dam is Houghton Bettina II a Cambridge Navigator daughter.

El Capitan was entered in to the 2021 UK show season collecting Four Championships.

Eastern Alpaca Group Halter Show 2021 – 1st Place Huacaya Intermediate Light Male

Eastern Alpaca Group Halter Show 2021 – Champion Light Male Huacaya

Heart of England Fleece Show 2021 – 1st Place Huacaya Light Fleece 12-24 Months

Heart of England Fleece Show 2021 – Champion Light Huacaya Fleece

Three Counties Fleece Show 2021 – 1st Place Huacaya Light Fleece 12-24 Months

Three Counties Fleece Show 2021 – Champion Light Huacaya Fleece

Three Counties Fleece Show 2021 – Reserve Supreme Champion Huacaya Fleece

El Capitan has a real presence in the paddock with a very impressive conformation & pleasing head type. He carries a bright extremely dense well organised fleece with no visible transition lines. He has retained a really good level of fineness and softness of hand.

In 2022 El Capitan joined our group of Elite breeding studs as a working male at Acton Hill and we spent the whole year looking forward to seeing his first progeny in the 2023 birthing season.

AHL El Capitan continues to have a huge impact on our breeding programme, he's achieved so much in such a short period of time. He's grown from a standout cria to a macho & this coming spring before the 2025 mating season begins we will celebrate his fifth birthday.

We held very high expectations of El Capitan as a sire so we set him to work at 2yrs of age, his first 6 cria arrived last summer & they've well & truly delivered handsomely, to date they've collected 12 First Places, 10 Second Places, 13 Colour Champion Sashes, 1x Reserve Supreme Champion Sash, 1x Best of British Sash, 1x Supreme Champion Sash & 2x Sires Progeny Champion Sashes.

Not only has Capitan passed on his award winning fleece traits he has consistently produced cria carrying his outstanding phenotype including his impressive head style. It's no surprise when you look at his pedigree, he boasts EP Cambridge Trail Blazer as his sire but his dam is also spectacular in her own right. Capitan's dam is Houghton Bettina II who continues to deliver outstanding offspring, Constantina her first daughter recently collected Judges Choice for her third fleece to add to her collection of sashes & Jailbreaker has just collected his second Supreme Champion Sash of this show season. Bettina is a standout female & she has most certainly passed on her look to El Capitan.

Capi was awarded an increase in covers last year, with 10 cria on the ground this year he's become our most selected male & with the consistency he's shown to advance his progeny we've doubled up his matings again this summer. El Capitan has been a very busy boy & we are looking forward to seeing the next steps in his journey.
