(taken on 19th August 2023 at 1 Year and 2 Months of age)

Fibre Testing Authority: Art of Fibre

Description:

Boztdown Trailblazer first arrived on our farm in June 2023 after being shown in the BAS Nationals where he achieved Reserve Champion Light Male.

From this he has gone from strength to strength with some impressive show results within England and Ireland.

Trailblazer stands on a compact macho, conformationally correct frame with a very desirable head type whilst showing a high degree of bone density.

He is displaying an ultra-fine fleece across his frame with an extremely impressive level of density travelling well into his extremities. His fleece is highly organised with great solidarity within the staple which just shines.

Trailblazer will be kept in house in 2024 with one available mating available through the BAS National Show Stud Auction. This is a rare opportunity to obtain herd changing proven genetics.

Prizes Won:
