Description:

This male i can only describe in one word.... EXQUISITE!

Emperor's Quest is what we believe to be the best alpaca we have bred on our farm in 15 years. He is (although we may be bias!) as close to the 'perfect Alpaca' as you can get.

His fleece has the 'WOW' factor, and one of those that just keeps getting better every year!

His fleece is incredible dense, amazingly fine and uniform with the most delicious structure and brightness. He stands on a very macho strong frame with a beautiful true to type head, rolling skin and silky muzzle.

He has won several championships, supreme championships & best of british awards.

We are expecting his first crop of cria this summer 2024 and must admit we are very excited for the future of our breeding program with this male leading the way!

Emperor's Quest is currently kept in house but pregnant females may be available.
