### Fleece:

17.60µ SD 3.60µ CV 19.80%

### Description:

Well, this boy's name says it all, exceptional good looks and a lineage packed full of outstanding genetics!

Bees Knees is an up standing male with superb conformation, presence and style. His fleece is superfine, bright and dense with fantastic uniformity of both colour and micron.

Displaying an excellent level of organisation, Bees Knees' fleece has a well-defined high frequency, high amplitude crimp style, which is carried down the length of his staples and is consistent both throughout his blanket and well into the extremities.

In addition to his own prizewinning attributes and perhaps even more pertinent is the fact that Bees Knees is reliably transferring his quality traits on to his progeny and they themselves are achieving both Championship and Supreme Champion accolades.

Most recently, a Bees Knees daughter; Amberly Royal Acclaim, was awarded Champion Light Female, Best of British Huacaya and Supreme Champion Huacaya at the 2023 NI Halter Championships.

At the same show, Bees Knees was also awarded the Sire's Progeny Championship with his daughters; Amberly Royal Acclaim, Amberly Raise a Glass and Amberly Ornate. All of whom have achieved their own Championship and Reserve

Championship merits on many occasions.

With outside matings no longer available, this is a unique opportunity to access these proven, prizewinning genetics.

**Prizes Won:**
