Description:

Winsaula Line of Duty is a very special EE aa true black male. Achieving reserve champion at the BAS National Show and going on to win nine championship titles, Line of Duty has an outstanding show record.

Line of Duty has a very even temperament and is an absolute joy to own. His fleece is exquisite, dense and highly lustrous with a cool and greasy feel and NO WHITE fibres!

In addition Line of Duty is carrying the rarest black genetic code EE aa thought to be carried by only 21% of black suri Alpacas in the UK. This means Line of Duty will never throw fawn on when mated to black skinned (ee aa) fawns, in this scenario he will ALWAYS THROW BLACK (more common black studs will throw 50% black and 50% fawn). Please contact me for further genetic explanation if required.

Winsaula Alpacas have achieved multiple Supreme Championship and Judges Choice awards and were awarded most

successful breeder at the Spring Alpaca Fiesta and most successful EAG member at the Eastern Alpaca show
