Description:

Introducing one of our latest additions to our herdsires - Capital Texugo.

This exquisite grey male was selected for his highly advanced fleece and strong conformational traits. Tex stands on a solid frame and is very well grown, he has good fleece coverage with a true to type head style.

His fleece is highly aligned, ultrafine with great density and uniformity of micron.

We are very excited to advance our grey breeding program with this special male.

Texugo will be available for a limited amount of outside services in 2024.
