Description:

National Show Supreme Champion 2023

Without a doubt this male is one of the best suris to ever graze the UK. He has it all, fineness, density, structure and style, superb length and lustre to absolutely die for. All that combined with a strong, conformationally correct base and a lovely true to type suri head style make him a truly one of a kind macho.

His first fleece testing at 16.3 with an SD of 3.1 and his second 17.4 and 3.6. His regrowth on his 3rd fleece is gorgeous with his style and lustre moving right through his extremities.

He will be used largely in house for 2024 but will be available for very limited outside matings
