Description:

Whiskey is a fully mature macho who looks every inch a natural herdsire. A mid brown Suri with a full colour pedigree boasting some of the best UK coloured alpacas of generations past.

Conformationally correct and with a great attitude, his first fleece won reserve champion at the SWAG fleece show in 2020. He has a good density and fineness and has passed many of his best attributes to his offspring for which he was awarded 1st place at the Somerset County Show for being the sire with the best 3 progeny. Those progeny between them have also been awarded 7 first places, 5 reserve championships (including 2 at the National Show) and 2 championships.
