Description:

Magnum is a stunning black male with excellent conformation, a strong frame and attractive head he clearly stands out in the paddock

He shares an impressive quality of bloodlines within his pedigree.

With a bright ,true black fleece displaying a lovely soft handle,good density and uniformity.

First fleece stats of 17.9mic, SD 3.8 , CF 99.8%

He is a confident young stud who was working in-house in 2023 (aged 2 yrs) ,his first progeny born July 24 resulted in a fawn male (dam dark brown)with a strong correct frame, well organised dense fleece with a super soft handle.

He is an easy to handle male with a calm approach although knows his job.

Due to limited shows around Covid times Magnum was only shown once.

This new stud male is giving breeders looking for darker results, the opportunity to add a new combination of quality genetics to their herd.
