Sire: Popham Appaloosa Paintsplash

Dam: Mullacott Barbie

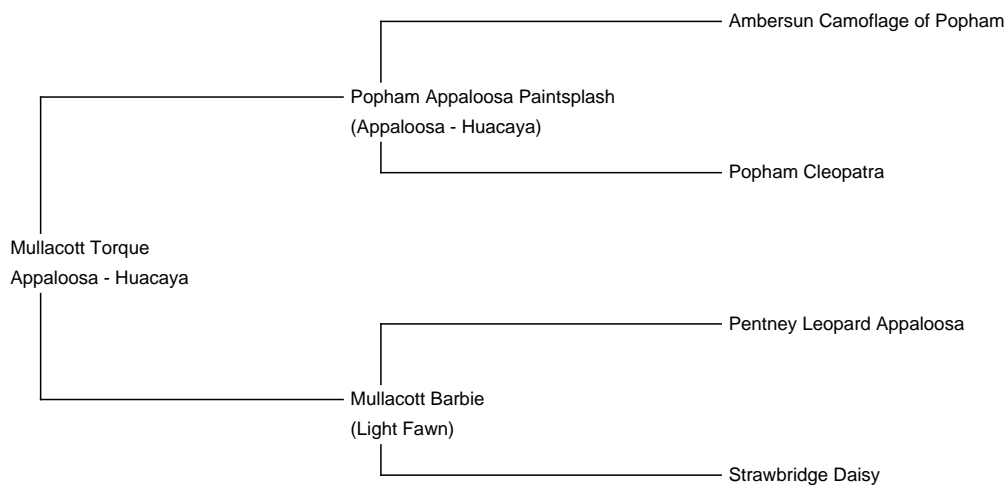

Breed Type: Huacaya

Colour: Appaloosa

Registered With: UKBAS39916

Blood Lineage: Ambersun Camouflage

Date of Birth: 6th June 2021

Description:

Torque is a well marked, solid, macho appaloosa male with dense, soft handling fleece and incredible staple length. He's the most laid back chap, who we hope will pass this on to his progeny. Working for the first time this year, and has girls spitting off. Appaloosa genetics though both sides of his pedigree so we hope for lots of spotty cria!
