(taken on 30th April 2024 at 4 Years and 10 Months of age)

Fibre Testing Authority: European Wool Testing Authority

Description:

We selected Chamberlain as a weanling from Popham Alpacas in 2020. Because he was a COVID cria he was never shown. We selected him because of his very fine uniform fleece with a high level of density. He appears to be passing these traits onto his progeny that are doing well in the show ring.

Prizes Won:

Progeny:

Legacy Living on a prayer;

National show 2nd junior male fawn
